Solve these Oxy "Zittles" and Oxy might solve your transportation problems!

The missing "Zittle" names are cleverly concealed in the paragraphs below. Find them and you could find yourself in a Nissan 300ZX.

"Zittles" are brand new names for the same old problem: acne pimples. And Oxy has what it takes to make them history.

Oxy 10,® Oxy 10® Cover, Oxy 5,® and Oxy 10® Wash all contain potent amounts of benzoyl peroxide—the most effective acne bacteria killer you can buy without a prescription. It's just what you need when you become the not-so-proud parent of "Twimples."

And there's nothing that zits hate more than clean skin—it's Pimple Enemy Number 1. So before the acne you got rid of turns into "Comebacne" and pays you a return visit, start using Oxy Clean.®

Oxy Clean® Medicated Pads, Cleanser, Soap and Scrub get skin deep-down clean. They help lift away dirt and oil and wash away blackheads so effectively, pimples not only stay away, they may never visit your face in the first place.

OXY ***Because zits are no laughing matter.***

BULLPEN BULLETINS

QUOTE OF THE MONTH:

"I admire you, Daredevil. I admire your relentless concern for the rights of scum. But I ain't you!"

—WOLVERINE, DAREDEVIL #249

ITEM: What with Two-Fisted *Tom DeFalco* taking over Marvel's Editor in Chief position, what has become of Tom's old position as Executive Editor? Glad you asked. It is with pardonable pride that we announce that Masterful *Mark Gruenwald* will hereafter assume Tom's Number Two slot in the mighty Marvel Editorial Echelon. Besides maintaining the editorial helm of the AVENGERS family of titles, Mark will now be in charge of character coordination across the Marvel line, developing new projects set in the Marvel Universe, and giving his opinion on all Marvel matters (even when not asked). He and Tom also cobble together the priceless prose for the Bullpen Bulletins and the New Universe pages. (Okay, Mark — you got your item, now finish the rest of this page! "Hardest working editor in the business today!" Sheesh!)

ITEM: Two of Marvel's favorite freelancers recently tied the nautical knot, and are now happily sailing the sea of matrimony! Chromatic *Christie "Max" Scheele*, colorist *par excellence*, and Jumping *Jack Morelli*, letterer extraordinaire, had a scenic sunset wedding this past May aboard the good ship Zephyr somewhere out in Sheepshead Bay in Brooklyn. Talk about splashy ceremonies! On behalf of your batty Bullpen, Jack and Max — best fishes! Er, that is, best wishes! (We'd better end this item while we're ahead. Wouldn't want to go *overboard* with these aquatic quips.)

ITEM: Congratulations are also due Dancing Don Perlin on the birth of his very first grandchild. Weighing in at six pounds and twelve ounces, Joshua Aaron Blumenfeld entered this world on April 29, 1987. The proud parents are Cathy and Les Blumfeld and we have it on good authority that a drawing board has already materialized in young Joshua's room. (Guess a certain grinning Grandpa can't wait for Jubilant Josh to join the ranks of Perlin's Pirates.)

ITEM: Yet another Marvel Comics writer has been caught moonlighting (or maybe starlighting) as a novelist. Erudite X-MEN scripter *Chris Claremont* has a science-fiction novel coming out in paperback from Ace Books this November entitled *"Firstflight."* Chris tells us it's about high adventure in outer space, with love, death, aliens, pirates, and all the things that make X-MEN great. We haven't read it yet, but knowing Chris, reading it may be mutation-forming.

ITEM: And, speaking of other media, you may be interested to learn that ol' smiling *Stan Lee* himself reports all the recent news about our *New World Pictures* television and movie tie-ins every month in his Soapbox column which appears in MARVEL AGE. Don't miss it if you want to learn what's new with *NEW!*

Pro File on: RALPH MACCHIO

Editor on: *CAPTAIN AMERICA, DAREDEVIL, FANTASTIC FOUR, and THOR*

Marvel freelance credits (past): *(Scripts) MARVEL TWO-IN-ONE, DR. STRANGE, THOR, KISS II, Black Widow in MARVEL FANFARE, SOLOMON KANE*

Marvel freelance credits (present): *(Scripts) THE AVENGERS and various Marvel movie adaptations like HOUSE II.*

My hobbies are: *Playing tennis, quoting "Honeymooners" dialogue, watching pugilistic exhibitions, and hanging signs on Danny Fingeroth's back.*

The single work of which I am most proud is: THOR #300

My pet peeves are: *Coming to work before noon, traffic on the F.D.R. Drive, and people who like baseball.*

My place of birth is: *Queens, New York*

My greatest accomplishment outside the comics field is: *Playing bumper tag with William Shatner on the New Jersey Turnpike.*

My oddest habit is: *Taking the staples out of plots and scripts and replacing them with paper clips.*

The reason I got into comics was: *I had nothing else to do after graduate school.*

People who knew me in high school thought I was: *Quiet and dangerous.*

The last good book I read was: *PAPA JOHN by John Phillips*

The last good movie I saw was: *THE UNTOUCHABLES*

My favorite performers are: *Sugar Ray Leonard, John McEnroe, Sean Connery, and Sigourney Weaver.*

If they were making a movie of my life, I'd like to see my part played by: *The other Ralph Macchio.*

The biggest influences on my work include: *Stan Lee, Ed Norton, and William Shakespeare.*

My greatest unfulfilled ambition in the comics field is: *To create a villain as good as Doctor Doom.*

The worst part of my job is: *Taking phone calls from jerks.*

When nobody's looking, I like to: *Work.*

The one thing I really want the world to know about me is: *I have high political ambitions.*
